Alexander Volta RTTY DX Contest

The SSB & RTTY Club of Como (Italy) claims the fifth edition of the Alexander Volta RTTY DX Contest.

The contest will be entirely devoted to increase the interest of all the radio amateurs in RTTY, and to remember the Italian discoverer of electricity Alexander Volta.

RULES

- (1) TEST PERIOD
14.00 GMT December 6 to 20.00 GMT December 7
- (2) BANDS
The test will be conducted in the 3, 5-7-14-21-28 MHz amateur bands.
- (3) EXCHANGE POINTS
(A) All two-way contacts with stations in one's own zone will receive two points.
(B) All two-way contacts with stations outside one's own zone will receive the points stated in the Exchange Points Table.
- (4) Stations may not be contacted more than once on each band.
Additional contacts may be made with the same station if a different band is used.
- (5) MULTIPLIERS
A multiplier of one is given for each country contacted.
The same country may be claimed as a separate multiplier, if a different band is used.
The one's one country doesn't count as a multiplier.
- (6) SCORING
Total exchange points times number of multipliers.
- (7) COUNTRY STATUS
A, R, R, L, Country list-except KL7, KH6 and VO, to be considered as separate countries.
- (8) MESSAGES
Stations will exchange messages consisting of:
(A) Check (RST)
(B) Zone number
- (9) LOGS AND SCORE SHEETS
Use one log for each band.
Free log forms and score sheets are available on request from SSB & RTTY Club, Box 144, Como.

These forms are not obligatory. Log should contain: band; times; NR sent and received; call signs; countries multipliers; exchange points.
- (10) DEADLINE
